## John Prine, Love Is On A Roll

I can't work late Although I need the money Gotta get home to my lovin' honey She'll be there waitin' Waitin' Impatiently Love is on a roll, love is on a good roll

Ah, love is on a roll Ah, love is on a good roll

I'm a songwriter A professional dreamer Mostly a singer but sometimes a screamer I should know If anybody knows at all When love is on a roll, love is on a good roll

So I gotta go. I gotta get home early Be with my woman soft and curvy Makes me feel like a king and not a regular joe Love is on a roll, love is on a good roll Love is on a roll, love is on a good roll
