

# John Prine, They Oughta Name A Drink After You

Oh I get drunk most every night  
Seems like all we do is fight  
The more I drink  
The less I feel blue  
Sometimes I feel like an awful fool  
Spendin' my life on an old bar stool  
And yes I guess they oughta name a drink after you

If this date were to be our last  
I'd never sit down this glass  
It'd take all the booze in the world

To forget you  
You've left my heart a vacant lot  
I'll fill it with another shot  
And yes I guess they oughta name a drink after you

Looks like I had my fill  
Guess I better pay my bill  
When I started out I only meant to have a few  
Someone just said that you left town  
I better get a double round  
And yes I guess they oughta name a drink after you
