John Prine, Yes, I Guess, They Oughta Name A I

Oh I get drunk most every night Seems like all we do is fight The more I drink The less I feel blue Sometimes I feel like an awful fool Spendin' my life on an old bar stool And yes I guess they oughta name a drink after you

If this date were to be our last
I'd never sit down this glass
It'd take all the booze in the world
To forget you
You've left my heart a vacant lot
I'll fill it with another shot
And yes I guess they oughta name a drink after you

Looks like I had my fill Guess I better pay my bill When I started out I only meant to have a few Someone just said that you left town I better get a double round And yes I guess they oughta name a drink after you
