

John Waite, A Piece Of The Action

I've got no money
Could you spare a dime?
I got the plan
If you got the time
If you take me there
You can claim your share
Of the action
Been on the road
For a long time now
Paid all my dues
Oh, I'm ready now
If you take me there
You can claim your share
Of the action
Oh, for a piece of the action
Oh, for a slice of the cake

Oh, for a piece of the action
Oh, for a slice of the cake
Sometimes I feel
As I'm going down
That nothing can stop me
From losing ground
If you take me there
You can claim your share
Of the action
Oh, for a piece of the action
Oh, for a slice of the cake
Oh, for a piece of the action
Oh, for a slice of the cake
For a slice of the cake
Oh, oh, oh.....
