I got the plan If you got the time If you take me there You can claim your share Of the action Been on the road For a long time now Paid all my dues Oh, I'm ready now If you take me there You can claim your share Of the action Oh, for a piece of the action Oh, for a slice of the cake

Oh, for a piece of the action Oh, for a slice of the cake Sometimes I feel As I'm going down That nothing can stop me From losing ground If you take me there You can claim your share Of the action Oh, for a piece of the action Oh, for a piece of the action Oh, for a slice of the cake Oh, for a slice of the cake For a slice of the cake Oh, oh, oh......
