

John Waite, Ain't That Peculiar

Honey you do me wrong
But I'm still crazy about you
Stay away too long
When you know I can't do without you
Every chance you get you seem to
Hurt me more and more and more
But each hurt makes my love
Stronger than before
I know flowers grow from rain
But how can love
Grow from this pain
I want to know
Ain't that peculiar
Peculiarity
Ain't that peculiar baby
Ain't it just like you and me
Aw You tell me lies
And you should be honest to me
Me I'm so much in love with you baby
That I don't want to see
That the things you do and say
Are designed to make me blue
It's a crying shame
My love for you
Makes all your lies seem true
If the truth makes love last longer
Why do lies make my love stronger
I want to know right now
Ain't that peculiar
Peculiarity
Ain't that peculiar baby
Ain't it just like you and me
Yeah
Uh Huh
Ah ah yeah
All right
Yeah
Ain't that peculiar
Peculiarity
Ain't that peculiar baby
Ain't it just like you and me
Ain't that peculiar
Peculiarity right now
Yeah
I want to know right now
Why it means that much to you and me
My poor heart's going to break
I'm making a big mistake
Making my poor heart break
Making me give her a double take
Making my poor heart break
Making me give her a double take
I could change your world
I could
You could and I could
I will
Change your world
(You can I can change our world)
(You can I can change our world)
(You can I can change our world)
(You can I can change our world)
(You can I can change our world)
(You can I can change our world)
