

John Waite, All I Want For Christmas

Well I stood by the streetlight
And I whispered your name
To the circle of darkness again
In the mercury night
The snow fell like cocaine
But all I want for christmas is you
I'd been out with some good friends
And we raised a glass or two
It's the time of the year to get loose
Like a dog on the freeway
With the headlights in my eyes
All I get from you is the truth
I don't need a new cadillac
Or a new set of clothes
Just donner and blitzen
To bring me fresh mistletoe
And make my world
A world
Where love don't get old
Cause all I want for christmas is you

Well I stand in the spotlight
But it's always royal blue
And it won't bring you back here
That's true
I got my name in lights
Strung out on the avenue
And all I want for christmas is you
I don't need a new cadillac
Or a new suit of clothes
Just donner and blitzen
To bring me fresh mistletoe
And make my world
A world
Where love don't get old
Cause all I want for christmas is you
All I want for christmas is you
Yeah
All I want for christmas is you
Yeah baby
