John Waite, Be My Baby Tonight

She's got a certain style
In everything she does
She's someone to know
Just because
Yeah
Just because
Yeah
Ooh yeah yeah yeah
Come on
Be my little baby tonight

Be my little baby tonight She's seen everywhere Looking like Venus too

Emotional suicide

She couldn't give a damn

No

Guess she shows Ooh yeah yeah yeah Come on

Be my little baby tonight She's got a heart of gold

And nerves of steel Feels like broken glass

She's unreal

She's got a velvet touch Igniting a frozen heart She's indispensible Tear your soul apart

Yeah yeah

Ooh yeah yeah yeah

Come on

Be my little baby tonight

Yeah come on come on come on

Come on and

Be my little baby tonight
