

# John Waite, If Anybody Had A Heart

In this world of right and wrong  
The hardest part is beginning  
By the time you find  
where you belong  
You're either losing or winning  
Well I don't know how  
But people seem to know  
When you want somebody  
bad enough  
Well I want you now  
and wherever you go  
I'm gonna love ya till  
you've had enough cause  
If everyone had a heart  
Yours would never be broken  
If anybody had a heart like mine  
People treat you like  
the clothes you wear  
They only see what you show them  
Let them talk baby I don't care  
They don't know where we're goin'  
I love you so much  
And I have for so long  
How could anybody doubt it  
Oh just one little touch  
This love is so strong  
Baby how can we live without it  
If everyone had a heart  
Yours would never be broken  
If anybody had a heart like mine  
When you love somebody  
You may stumble you may fall  
But if you love somebody hard enough  
Maybe you can get it all  
If everyone had a heart  
Yours would never be broken  
If anybody had a heart like mine  
Anybody in the world  
If everyone had a heart  
Yours would never be broken  
If anybody had a heart like mine  
If anybody had a heart  
If everyone had a heart  
Yours would never be broken  
If anybody had a heart like mine  
If anybody had a heart  
If everyone had a heart...  
If everybody had a heart...
