

John Waite, Whenever You Come Around

Face of an Angel, pretty eyes that shine
I lie awake at night wishin' you were mine
I'm standing here holding the biggest heartache in town
Whenever you come around

I get a weak in the knees
And I lose my breath
Oh I try to speak but I can't find the words ***
I'm half scared to death
'Cos when you smile that smile
My world turns upside down (yeah)
Whenever you come around

I get so helpless, I feel just like a kid ***
What is it about you that makes me keep these feelings hid
I wish I could tell you but the words just can't be found
Whenever you come around

I get a weak in the knees
And I lose my breath
Yeah I try to speak but I can't find the words ***
I'm half scared to death
Cause when you smile that smile
My world turns upside down
Whenever you come around
Whenever you come around
