

John Williams, For Always

I close my eyes
and there in the shadows I see your light
You come to me out of my dreams across
the night

You take my hand
though you may be so many stars away
I know that our spirits and souls are one
We've circled the moon and we've touched the sun
So here we'll stay

For always, forever
Beyond here and on to eternity
For always, forever

For us there's no time and no space
No barrier love won't erase
Wherever you go
I still know
In my heart you will be
With me

From this day on I'm certain that I'll never be alone
I know what my heart must have always known
That love has a power that's all its own

And for always, forever
Now we can fly
And for always and always
We will go on beyond goodbye

For always, forever
Beyond here and on to eternity
For always and ever
You'll be a part of me

And for always, forever
A thousand tomorrows may cross the sky
And for always and always
We will go on
beyond goodbye
