

John Williams, When You're Alone

When you're all alone
Far away from home
There's a gift the angels send
When you're alone

Everyday must end
But the night's our friend
Angels always send a star
When you're alone

At night when I'm alone
I lie awake and wonder
Which of them belongs to me
Which one I wonder?

And any star I choose
Watches over me
So I know I'm not alone
When I'm here on my own

Isn't that a wonder?
When you're alone
You're not alone
Not really alone

The stars are all my friends
Till the night time ends
So I know I'm not alone
When I'm here on my own

Isn't that a wonder?
When you're alone
You're not alone
Not really alone...
