John Williams, When You're Alone

When you're all alone Far away from home There's a gift the angels send When you're alone

Everyday must end But the night's our friend Angels always send a star When you're alone

At night when I'm alone I lie awake and wonder Which of them belongs to me Which one I wonder?

And any star I choose Watches over me So I know I'm not alone When I'm here on my own

Isn't that a wonder? When you're alone You're not alone Not really alone

The stars are all my friends
Till the night time ends
So I know I'm not alone
When I'm here on my own

Isn't that a wonder? When you're alone You're not alone Not really alone...
