

Johnathan Rice, So Sweet

We're back there and the heartbreak came
Yeah it hit me pretty hard
I waved hello and goodbye
To the ghosts on the boulevard

Well oh, oh my baby
Your so sweet it makes me cry
Well oh, oh my baby
Your so sweet it makes me cry

Your so sweet, your so sweet
Your so sweet, i wanna cry

La,la,la,la,la
La,la,la,la,la

La,la,la,la,la,
La,la,la,la,la

Well i dealt with the dog face hunny
Just try to sympathize
Well he turned and looked at me
With his cold debaler, red, dry clean eyes

Oh, oh my baby
Your so sweet it makes me cry
Well oh, oh my baby
Your so sweet it makes me cry

Your so sweet, your so sweet
Your so sweet, i wanna cry

La,la,la,la,la
La,la,la,la,la

La,la,la,la,la
La,la,la,la,la

Your from my love
I is leavin
Check it out
Not coming back

The downtown trains
Are teamin
Screamin
All down the track

There is a terrible taste
Always torn from the chemicals
He's gonna split his blood
All over the whole wide world

Your so sweet, your so sweet
Your so sweet, i wanna cry

La,la,la,la,la
La,la,la,la,la
La,la,la,la,la
La,la,la,la,la

La,la,la,la,la
La,la,la,la,la
La,la,la,

La, la, la, la, la
La, la, la, la, la
