

# Johnnie Taylor, I Believe In You (You Believe In Me)

(Don Davis)

I feel sorry, I feel sorry  
I feel sorry, I feel sorry

I feel for sorry  
For any man out there  
When he can't look around  
And say this is my woman  
My woman alone

I feel sorry, yeah  
For any woman out there  
Who can't say I got somebody  
That I can call my very own

I feel sorry, I feel sorry  
I feel sorry, I feel sorry

One thing I can say about  
The people of the world today  
They see you with a good thing  
They want to take it away

But I believe in you  
You believe in me too, yeah  
Even your best friend will come  
Around making sly remarks  
Trying to put you down  
I believe in you  
You believe in me too

Listen, honey  
People talking  
Trying to pull us apart  
Sticking pins and needles  
In both of our hearts  
I love you no matter  
Don't care about  
The stormy weather

I heard your mother say  
Loving me didn't make no sense  
But when she put me down  
You stood up in my defense

I believe in you  
Anytime you against  
Your own mother  
It makes me know  
You believe in me, yeah  
Here's another thing

We had our hard times  
And almost didn't make it  
We always worked it  
Never tried to fake it

But I believe in you  
You believe in me too  
Here's anything about it

People talking  
Trying to pull us apart

Always ticking pins and  
Needles in both of our hearts  
Our love together  
Don't care about  
The stormy weather

I believe in you  
You believe in me too, yeah

I believe  
That's why every time  
We get a chance  
I tell you, honey  
How much I love you  
Love you, love you  
Love you, love you

And most of all  
How much I trust you  
The reason why I trust you, baby  
Is because of one thing  
I can lean on you, yeah, baby  
And you can lean on me too  
One more time I'm gonna say

I believe in you  
Honey, please  
Let me believe in you  
I know a lot of folk out there  
Wish they had somebody  
They could believe in

I believe, I believe in you  
You believe in me too  
Anytime you against  
Your own mother  
It makes me know

You believe in me  
I believe in you  
And you've shown me enough  
To know you believe in me too
