

# Johnny Black, Hold My Hand (ft. Grizzlee)

Too many lonely nights  
Mabey I can control it  
Coz you've been lied to me

So many hungry eys  
Wanna body  
Mabey I lose my senses  
Coz barely I can speak

So baby hold my hand  
hold my hand  
hold my hand  
And try to understand  
understand  
understand  
I will be always there  
always there  
always there  
So baby hold my hand  
hold my hand  
hold my hand!

hold my hand!

To many sleepiness night  
sleepiness night  
sleepiness night  
and baby I hardly notice  
You know I make it right  
So baby lalalalala  
Is still in your eyes  
Something tells you to check me  
And you'll never regret this!

So baby hold my hand  
hold my hand  
hold my hand  
And try to understand  
understand  
understand  
I will be always there  
always there  
always there  
So baby hold my hand  
hold my hand  
hold my hand!

hold my hand!
