

JOHNNY BRAVO & DARYA S, AIN'T NOBODY

Capture effortlessly
That the way it was
Happen so naturally
Didn't know it was off
The next thing I felt was you
Holding me close
What was I got to do?
I left myself gone
Now I'm flying to the stars
What is now let last forever

I've been wait for you
It's been so long
You're just what I want to
Now, I ...
You built my heart with release
Give me freedom
You I couldn't resist
I need someone
And I'm flying to the stars
What is now let last forever

AIN'T NOBODY
Loves me better
Makes me happy
Makes me feel this way
AIN'T NOBODY
Loves me better than you
