Johnny Cash, Hurt

[Originally by Nine Inch Nails]

I hurt myself today To see if I still feel I focus on the pain The only thing that's real The needle tears a hold The old familiar sting Try to kill it all away But I remember everything

[Chorus:] What have I become My sweetest friend Everyone I know goes away In the end And you could have it all My empire of dirt I will let you down I will make you hurt

I wear this crown of thorns Upon my liar's chair Full of broken thoughts I cannot repair Beneath the stains of time The feelings disappear You are someone else I am still right here

[Chorus:] What have I become My ssweetest friend Everyone I know goes away In the end And you could have it all My empire of dirt I will let you down I will make you hurt

If I could start again A million miles away I would keep myself I would find a way
