

# Johnny Cash, I Forgot More Than You'll Ever Know

You think you know the smile on her lips the thrill at the touch of her fingertips  
But I forgot more than you'll ever know about her  
You think you'll find a heaven of bliss in each caress and each tender kiss  
But I forgot more than you'll ever know about her

You stole her love from me one day you didn't care how you've hurt me  
But you can never steal away mem'ries of what used to be  
You think she's yours to have and to hold  
But someday you'll learn when her love grows cold  
That I forgot more than you'll ever know about her

You stole her love from me...
