Johnny Cash, I See A Darkness

Well, you're my friend And can you see Many times we've been out drinking Many times we've shared our thoughts Did you ever, ever notice, the kind of thoughts I got Well you know I have a love, for everyone I know And you know I have a drive, for life I won't let go But sometimes this opposition, comes rising up in me This terrible imposition, comes blacking through my mind

And then I see a darkness Oh no, I see a darkness Do you know how much I love you Cause I'm hoping some day soon You'll save me from this darkness

Well I hope that someday soon We'll find peace in our lives Together or apart Alone or with our wives And we can stop our whoring And draw the smiles inside And light it up forever And never go to sleep My best unbeaten brother That isn't all I see

And then I see a darkness Oh no, I see a darkness Do you know how much I love you Cause I'm hoping some day soon You'll save me from this darkness
