Johnny Cash, In My Life

[Originally by The Beatles]

There are places I'll remember
All my life
Though some have changed
Some forever
Not for better
Some have gone and some remain
All these places have their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life
I've loved them all

But if all these friends and lovers There is no one Compares with you And these memories Lose their meaning When I think of love As something new

Though I know I'll never lose affection For people and things that went before I know I'll often stop and think about them In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life
I love you more
In my life
I love you more
