

# Johnny Cash, Meet Me In Heaven

We saw houses falling from the sky  
Where the mountains lean down to the sand  
We saw blackbirds circling 'round an old castle keep  
And I stood on the cliff and held your hand

We walked troubles brooding wind swept hills  
And we loved and we laughed the pain away  
At the end of the journey, when our last song is sung  
Will you meet me in  
Heaven someday

Can't be sure of how's it's going to be  
When we walk into the light across the bar  
But I'll know you and you'll know me  
Out there beyond the stars

We've seen the secret things revealed by God  
And we heard what the angels had to say  
Should you go first, or if you follow me  
Will you meet me in  
Heaven someday

Living in a mansion on the streets of gold  
At the corner of Grace and Rapture  
Way In sweet ecstasy while the ages roll  
Will you meet me in  
Heaven someday

In sweet ecstasy while the ages roll  
Will you meet in  
Heaven someday
