## Johnny Cash, The Christmas Spirit

(Praises sing to Christ the King and peace to men on earth)
On Christmas Eve I dreamed I traveled all around the earth
And in my dream I saw and heard the ways the different people hail the king
Whose star shone in the east and what a dream it was
In London Town I walked around Piccadilly Circus
A mass of people movin' here and there I wandered where
On every face at every place was hurry up I'm late
But a kind old man at a chestnut stand said merry Christmas mate
And I felt the Christmas spirit

[ choir ]
In a little town nestled down in Bavaria Germany
I walked along to see what the feeling there would be
And here again was the busy din the rushin' the yellin'
But some kind boy said Frohliche Weihnachten

Not undesratnding the words but gettin' the buyin' and sellin'

I felt the Christmas spirit

[ piano - choir ]

In Bethlehem I heard a hymn some distant choir sang

And with other tourists I walked along to a church as its bells rang Then I heard someone tell someone there's where Christ was born

I wonder if he looked like our baby looked on that first morn

And then I really felt the Christmas spirit

From a businessman in the Holy Land as a sidewalk souvenirshop

I bought a little Bible since I'd hardly stopped

And it was in Paris France somehow by chance that I took the Bible out

And as I flipped the pages I saw these words and I knew what it was all about

For I read fear not for behold I bring you good tidings of great joy

Which shall be to all people

For unto you he was born this day in the City of David a Saviour

Which is Christ the Lord

[ choir ]

Then I took the little Holy Book held it close and tight I closed my eyes and visualized the glory of that night So suddenly it came to me for when I awoke on Christmas Day I felt the Christmas spirit down deep inside to stay (O little town of Bethlehem how still we see Thee lie Above Thy deep and dreamless sleep the silent stars go by Yet in Thy dark streets shineth the everlasting light The hopes and fears of all the years are met in Thee tonight)
