

# Johnny Cash, There You Go

You're gonna break another heart, you're gonna tell another lie  
Well here I am and there you go, you're gone again  
I know you're gonna be the way you've always been  
Breakin' hearts and tellin' lies is all you know  
Another guy gives you the eye and there you go  
There you go, you're gone again  
I should have known, I couldn't win  
There you go, you're by his side  
You're gonna break another heart, you're gonna tell another lie

Because I love you so I take much more than I should take  
I want you even though I know my heart is gonna break  
You build me up and for a while I'm all a-glow  
Then your fickle heart sees someone else and there you go  
There you go, you're gone again  
I should have known, I couldn't win  
There you go, you're by his side  
You're gonna break another heart, you're gonna tell another lie
