

# Johnny Cash, These Things Shall Pass

These things shall pass and some great morning  
We'll look back and smile at heartaches we have known  
So don't forget when shadows gather  
The Lord our God is still the King upon his throne  
A rose looks grey at midnight but the flame is just asleep  
And steel is strong because it knew the hammer and white heat  
These things shall pass and life be sweeter  
When love and faith are strong they cannot long endure  
These things shall pass so don't you worry  
The darkest time is just one hour before dawn  
So hold up high and face your troubles  
And don't dispare if you must face them all alone  
A rose looks grey at midnight...  
(These things shall pass)
