

Johnny Clarke, Every Knee Shall Bow

Yeah... Mmmmm

Every knee shall bow
And every tongue confess
On that day when Jah shall come

Every knee shall bow
And every tongue confess
On that day when Jah shall come

No more crying, no more heartaches
No more sorrows, no more pain

So, what will you do? What will you do?
When He shall come, Mr wicked man

Every knee shall bow
And every tongue confess
On that day when Jah shall come

The good you do, it will follow you
And the bad you do, it will stand with you
Yes, the good you do, it will follow you
And the bad you do, it will stand with you

Every knee shall bow
And every tongue confess
On that day when Jah shall come

No more crying, no more heartaches
No more sorrows, no more pain
So, what will you do, Mr wicked man?

The good you do, it will follow you
And the bad you do, it will stand with you
Yes, the good you do, it will follow you
And the bad you do, it will stand with you

Every knee shall bow
And every tongue confess
On that day when Jah shall come

No more heartaches, no more sorrows
No more pain
So what will you do, Mr wicked man?

Every knee shall bow
Said every knee shall bow
