

# Johnny Clegg & Savuka, Emotional Allegiance (S

I don't want to be a tourist in your heart  
I don't want to visit someone else's ruins  
Don't want a day trip to the feelings in the dark  
Don't want a quick-fix honeymoon

Bridge:

We need: emotional allegiance, devotional love  
a living promise like in the story of RAM

Chorus:

Raghupati raghava raja Ram  
Patite pavana Sita Ram  
Stand be me -- feel the sun  
Emotional allegiance -- divine love  
There's a change in the weather  
and a hole in the sky  
snow in the summer  
and the rivers run dry  
who will guard your fragile dreams of rain  
when your heart is tired of daytrippers  
and nobody stays....

Bridge:

We need: emotional allegiance, devotional love  
a living promise like in the story of RAM

Chorus...
