

Johnny Clegg & Savuka, Ring On Her Finger

Beyond freedom and dignity
Beyond the dying of the light
She takes me
Beyond reason and the trinity
Beyond the sun and out of sight
Oh no, uh no, oh she did it again
Oh no, uh no, she did it again
Chorus
That girl is feeling
Trapped by that ring on her finger
Ushadile (she's married)
Some man thought he shot her down,
But he only winged her
Ushadile (she's married)
Trapped by the ring on her finger...
Such a dangerous affinity
In such a deadly disguise
Hot summer nights and other promises
She carries in her married eyes
Oh no, uh no, oh she did it again
Oh no, uh no, she did it again
Chorus...
You just can't get enough
So you come around here
And you do it again,
You just can't get enough...
Chorus...
