

Johnny Depp, Johnny Depp song

Johnny Depp your deep,
I like to watch you when you sleep,
And smell the shirt in which you slept,
Johnny Depp!
Johnny Depp,
Your hip,
I'd like to bite your lower lip,
And scrunch your Edward Scissor hair
Johnny Bear.
You've got tattoos,
One said Winona I know,
But you broke up with her,
Now it just says wino.
Johnny Depp your cruel
You're a harbinger of drool,
Mow my lawn without a shirt,
Johnny Dirt.
John A, John B, John C, John D, JOHNNY
You like Girls with foreign accents,
Tiny waists im not a waif,
But I could love you more,
Then you would probably deserve.
Johnny Depp,
You're the bomb,
If you come to meet my mom,
I'd cry a single salty tear,
Johnny Dear!
John A, John B, John C, John D, JOHNNYYYYYYY!!!
