

Johnny Gill, Giving My All To You

Ooh...ooh...
Oh...oh...oh...
Oh...oh...yeah, yeah

Giving my all to you (Yeah)
Nothing else will do (Yeah, whoa, yeah)
Giving my all to you today
I wanna know (I wanna know) if you love me that way (If you love me that way)

Sometimes I feel
I dont know
Which is up
Or which is down

You make me feel
Like youre not for real
You play with my emotions
But I cant let you go

Ive got this love burnin deep down inside of me
Tellin me that I should believe everything that you say
Its so hard to live a life with somebody day in, day out
Ive got to know the truth
I cant be, I cant be just wastin my time, so Ill be

Giving my all to you (Yes, I will)
Nothing else will do (Nothing else will do, Ill be)
Giving my all to you today (You today)
I wanna know if you love me that way

Giving my all to you (Giving my all)
Nothing else will do (Nothing else will do)
Giving my all to you today (Oh)
I wanna know if you love me that way

Ill make the moves
So you can see
How I wanna give my body
Desperately

This love is real
And Ill make it known
If were made for each other
This feeling cant be wrong

So baby, be sure you want me with you tonight
Cause I have no intention of being with someone else
Im waiting for you, baby, come to me
Ill be the best to you
No one, no one can do the things that Ill do

Giving my all to you (Yeah...I)
Nothing else will do (No one, no one)
Giving my all to you today
I wanna know (I wanna know) if you love me that way
(If you love me that way, love me)

Giving my all to you (I...I...I...)
Nothing else will do (I know nothing in this whole wide world)
Giving my all to you today (Can ever do, ever do, oh)
I wanna know (I wanna know) if you love me that way (If you love me that way)

Love me, love me
Love me, love me

Nothing else will do
Nothing else will do, eah...hey...
Oh...

I wanna know (I wanna know) if you love me that way
(If you love me, baby, love me, baby, love me, baby)

Giving my all to you (Giving my all to you)
(Im giving my all, giving my all to you)
(Im giving my all, giving my all, giving my all)
I wanna know (I wanna know) if you love me that wa
