

Johnny Gill, Love In An Elevator

Yeah, I wanna do whatever you want to

Lets make love (Yeah, yeah)
Love in an elevator (Yeah...oh...)
Theres no feeling greater
Than moving up and down (Lets make love)

(Oh...oh...)
Theres no feeling greater
Than moving up and down

Please understand as I convey my mind
I feel bad each time
That you reach for a fantasy
Ooh...oh...oh...

Like The Staples, I wanna take you there
Suspended in the air
I dont care which floor you press
Just as long as you express love

Lets make love
Love in an elevator (Theres no feeling greater, yeah...)
Theres no feeling greater
Than moving up and down (Lets make love)

Lets make love (Love)
Love in an elevator (Theres no feeling greater)
Theres no feeling greater
Than moving up and down

If you take a walk with me
Through the windows of my soul
I can show you many things
Stories that havent been told

And what about an episode in the elevator, oh, yeah
We can press Emergency, stop

Lets make love (Whoa...)
Love in an elevator
Theres no feeling greater (Theres no feeling greater)
Than moving up and down (Than moving up and down)

Lets make love
Love in an elevator (Love in a elevator)
Theres no feeling greater
Than moving up and down

They say theres no luck on the 13th floor
But I found love and so much more
Lets make in the elevator
I wanna feel you
We can go up and we can go down
From the 1st to the 5, 6, 7, 8, 9
I can do you till you scream, My, my, my, my

Lets make love (Lets make love)
Love in an elevator (Lets make love, baby)
Theres no feeling greater (Its gonna be nice and sweet, yeah)
Than moving up and down (Were gonna up and were gonna move on)

Lets make love (On down)
Love in an elevator (Theres no feeling greater)

Theres no feeling greater
Than moving up and down

We can go up and we can go down
Ooh, were gonna take it nice and slow, yeah
We can go up and we can go down
Ooh, said its gonna feel so good

We can go up and we can go down
Anyway that you want it, anyway that you need it, oh...oh...oh...
Theres no feeling greater
Than moving up and down

I-yi-yi-yi-yi-yi
See, it feels so good, you got me sayin I
I-yi-yi-yi-yi-yi
I, come on

Theres no feeling better than the way that you move, yeah, yeah
Oh, yeah, yeah
Oh, yeah...oh...oh...oh...

Lets make love
Love in an elevator (Come on)
Theres no feeling greater (Theres no feeling greater, yeah...yeah...)
Than moving up and down

Lets make love (Ooh, yeah)
Love in an elevator (Theres no feeling greater)
Theres no feeling greate
