

# Johnny Gill, My, My, My

Yeah

So good  
My, my, my, my  
You look so sweet  
Listen

Put on your red dress and slip on your high heels  
And some of that sweet perfume, it sure smells good on you  
Slide on your lipstick, and let all your hair down  
Cause baby, when you get through I'm gonna show off you

Tonight will be a special night  
No matter where we go  
And I'm so proud to be with you  
I just want to let you know

You got my sayin my, my, my, my, my, my  
You sure look good tonight  
And you're so damn fine  
I wanna say my, my, my, my, my, my (Uh-huh)  
You sure look good tonight (Tonight, after all this time)

Slip on your nightgown, step in our bedroom  
First I wanna take some time, I just wanna look at you  
Girl, you are so fine, I can't believe my eyes  
And all that I wanna do, I wanna make love to you, oh

Tonight will be a special night  
A minute more to come  
And I'm so proud to be with you  
So proud to share your love

My, my, my, my, my, my  
You sure look good tonight

I wanna say my, my, my, my, my, my, my, my, my, my, my, my, my, my, my, my  
Make love all night long, make love till the break of dawn  
Come on, come on  
Sweet little thing, yes, you do

Yes, you do, do  
Yes, you do, yes, you do, do, do, do, do  
Yes, you do, do  
Yes, you do, yes, you do  
And I'm so proud to be with you  
So proud to share your love

You got my singin my, my, my, my, my, my  
You sure look good tonight  
I wanna love you, I want to love you in every, every way  
Let me, let me show you how sweet it's gonna be  
I wanna show you things that you never  
You never, ever, ever seen before

Put your nightgown on  
Let your hair hang low  
Step into our room  
I'm in the mood to love you all night long

You got me sayin my, my, my, my, my, my, my, my  
My, my, my, my, my, my, my, my  
My, my, my, my, my, my, m-m-m-my, my, my, my, my

My, my, my, my, my, my  
See, all you got to do, all you gotta do  
Is say that you'll be mine, all mine, all mine, all mine, all mine  
You'll be all mine tonight, baby  
Let me, let me show you how sweet it's gonna, whoa

My, my, my, my, my, my  
You sure look good tonight  
My, my, my, my, my, my
