

# Johnny Gill, Never Know Love

Verse I

Girl i would die for you  
more precious then gold  
Is what you are to me

lay down my life for you...  
all that you are  
is so special to me...

Hook:  
And i betcha  
that you never  
ever had real love to call your own  
Love would'nt let cha  
feel the pleasure..  
Don't out your love on hold ..  
Dont' beat around..

Chorus:

Cause you will Never Know Love  
Untill you open your heart  
and make a new start.  
You will Never Know Love.  
until come as you are  
and make a new start.
