

Johnny Gill, Never Know Love

Verse I

Girl i would die for you
more precious then gold
Is what you are to me

lay down my life for you...
all that you are
is so special to me...

Hook:
And i betcha
that you never
ever had real love to call your own
Love would'nt let cha
feel the pleasure..
Don't out your love on hold ..
Dont' beat around..

Chorus:

Cause you will Never Know Love
Untill you open your heart
and make a new start.
You will Never Know Love.
until come as you are
and make a new start.
