

Johnny Horton, I Got A Hole In My Pirogue

Well I went out a fishin' to make a little more.
To take to Catelina so we could have some fun.
On the way back, I knocked a hole in my bow.
I got a hole in my pirogue, I can't go see my gal.
(chorus)

The purtiest sight that you ever have seen
Is a moonlight night down in New Orleans.
I'm up the river, just around the bend.
I got a hole in my pirogue, I just cain't hold it in.
Well Catelina's waitin' with tears in her eyes.
Munchin' and a crunchin' on a crawfish pie.
I smell a feeling floatin' through the air
I got a hole in my pirogue, I can't go see my Cher.
chorus

Yeah I'm here on the bayou, sittin' all alone
With a busted bottom and I cain't pole it home.
Catelina's waitin' lonesome as can be.
I got a hole in my pirogue, I cain't go see my she.
