

Johnny Horton, I'm Ready If You're Willing

I'MREADY IF YOU'RE WILLING

There's a big bright moon above and the night's just made for love
Baby I'm ready if you're willing
If that twinkle in your eye is a darlin' me to try baby I'm ready if you're willing

Baby can't you see I'm waitin' for you to make up your mind
There's no use in hesitatin' can't you see we're wasting time
Don't you think that love is grand let me be your lover man
Baby I'm ready if you're willing

[guitar]

I like the way you smile would you like to spoon awhile
Baby I'm ready if you're willing
And I like the way you kiss ooh let's go on like this baby I'm ready if you're willing

Baby can't you see I'm waitin' for you to make up your mind
There's no use in hesitatin' can't you see we're wasting time
Don't you think that love is grand let me be your lover man
Baby I'm ready if you're willing

[guitar]

Baby can't you see I'm waitin' for you to make up your mind
There's no use in hesitatin' can't you see we're wasting time
Don't you think that love is grand let me be your lover man
Baby I'm ready if you're willing
