THE WOMAN I NEED (HONKY TONK MIND)  
WRITERS TOMMY BLAKE, CARL ADAMS

Oh, the woman I got is sweet indeed  
But the woman I got ain't the woman I need  
'Cause the woman I need she gotta want a big time  
Gotta be like me and have a honky tonk mind  
If this fits you don't sit there lookin'  
Jump overhere we'll start things a-cookin'  
The night's still young and there's plenty of time  
To demonstrate the powers of a honky tonk mind  
Well there's one thing wrong with every gal I know  
When midnight comes, they all gotta go  
Well it just gets started and I wanta unwind  
Gotta find me a gal with a honky tonk mind
