

# JOHNNY MARR, The Messenger

I'm seeing in you something  
The life you're wanting takes long  
You seem so heavy,  
I'm fine just talking if you want  
Don't wanna be the messenger?

I'm seeing in you something  
Your eyes are open and you're on  
I'm here and I'm ready, my time's for taking if you want  
Who wants to be the messenger?

Who wants to be the messenger?  
Who wants to be the messenger?  
Who wants to be the messenger?  
Who wants to be the messenger?
