

# Johnny Mathis, Can't Get Out Of This Mood

A Certain Smile

Johnny Mathis

Words by Paul Francis Webster and Music by Sammy Fain

Peaked at # 14 in 1958

Sung by Mathis as the title song in the movie starring Rossano Brazzi and Joan Fontaine

A certain smile, a certain face  
Can lead an unsuspecting heart on a merry chase  
A fleeting glance can say so many lovely things  
Suddenly you know why my heart sings  
You love awhile and when love goes  
You try to hide the tears inside with a cheerful pose  
But in the hush of night exactly like a bittersweet refrain  
Comes that certain smile to haunt your heart again

But in the hush of night exactly like a bittersweet refrain  
Comes that certain smile to haunt your heart again
