

# Johnny Mathis, Go Away, Little Girl

Go away, little girl, go away, little girl;  
I'm not supposed to be alone with you.  
I know that your lips are sweet,  
But our lips must never meet.  
I belong to someone else and I must be true.

Oh, go away, little girl, go away, little girl;  
It's hurting me more each moment that you delay.  
When you are near me like this,  
You're much too hard to resist.  
So, go away, little girl, before I beg you to stay.

(Instrumental interlude)

When you are near me like this,  
You're much too hard to resist.  
So, go away, little girl, before I beg you to stay.

TAG: □ Go away.
