

# Johnny Mathis, Life Is A Song Worth Singing

Life is a song worth singing

Why don't you?

Sing It!

(repeat)

You hold the key in the palm of your hand.

Use it!

Don't blame your life on the master plan

Change it!

Only you generate the power

To decide what to do with your life

You're a fool if you think you're helpless

You control what you do with your life

(music)

Life is a song worth singing

Why don't you?

Sing It!

(repeat)

Don't like the way you're living

Too bad!

Can't change your life because it's out of your hand

So sad!

So you sit on your pants and holler

cause the world ain't been treating you right

Don't you know you contain the power

to control destiny with your mind

(music)
