

Johnny Mathis, Someone

Stairway To the Sea (Scalinatella)

Johnny Mathis

Written by Enzo Bonagura, Albert Askew Beach, and Giuseppe Cioffi

This song did not chart

Deep in the night I climb the stairway to the sea

And pretend you are there beside me, so close beside me, watching the sea

I see us there upon the stairway to the sea

Where the mist softly kissed two lovers, hiding from others our love by the sea
