

# Johnny O'Keefe, Don't Be Cruel

Well you-ou know i can be found  
Sittin' home all alone  
If you can't come around  
At least please telephone  
Don't be cruel to a heart that's true

Baby, if i made-a you mad  
For something i might-a said  
Let's forget the past  
The future looks bright ahead  
Don't be cruel to a heart that's true  
I don't want no other love  
Baby it's a-just-a you i'm a-thinking of

Don't stop a-thinking of me  
Don't make me feel-a this way  
Come on over here and love me  
You know what i have to say  
Don't be cruel to a heart that's true

Why should we be apart?  
I really love you baby, cross my heart

Well let's a-walk up to the preacher  
And let us say i do  
Then you'll know you have me  
And i'll know that i have you  
Don't be cruel to a heart that's true  
Don't be cruel  
To a heart that's true  
Don't be cruel  
To a heart that's true  
Don't be cruel
