

Johnny O'Keefe, Full Blooded Natural Man

I'm not a dog, not a frog, or a hog
I'm a full blooded natural man
That's what I a-a-am, oh-oh yeah
I don't want to hound you, just want to be 'round you
As much as I ca-a-an

I'm not a snake, not an ape, I'm a mink
I'm a full blooded natural man
That's what I a-a-am, oh-oh yeah
I don't want to scare you, just want to be near you
Give me you're ha-a-and

People seem to envy me, Their so full of jealousy
They call me, a wise guy, Don't believe what they say
Close your ears and walk away, 'Cause really I'm a ni-ice guy

I'm not a cat, not a rat, not a bat
I'm a full blooded natural man
That's what I a-a-am, oh-oh yeah
I don't want to scare you, just want to be near you
As much as I ca-a-an

People seem to envy me, Their so full of jeolousy
They call me, a wise guy, Don't believe what they say
Close your ears and walk away, 'Cause really I'm a nice guy

I'm not a frog, not a slug, or a bug
I'm a full blooded natural man
That's what I a-a-am, oh-oh-oh
I'm not goin' to bite you, just wanna excite you
Please understa-a-and
La-la-la, La-la-laaa, La-la-la

I'm a full blooded natural man
That's what I a-a-am, oh-oh yeah
I don't wanna bite you, I just want to excite you
Please understa-a-and

La-la-la, La-la-laaa, La-la-la
I'm a full blooded natural man
