

Johnny O'Keefe, Move, Baby, Move

Move baby move, Get in the groove now, Move baby move
Get in the groove girl, Move baby move, Get in the groove now
Ah, let me tell ya girl, you're lookin' so fine, now

Oh, when you twist you drive-a me crazy
And when you shake-a, you shake me up baby
There's only one thing that I wanna do-oo
I wanna move and-a groove with you, yeah

Move baby move, Get in the groove now, Move baby move
Get in the groove now, Move baby move, Get in the groove now
But keep it goin' girl, you're lookin' so fine, now

When you walk you look so fine, yeah
And when you talk I know that you're mine, girl
There's only one thing that I wanna do-oo
I wanna move and-a groove with you, yeah

Move baby move, Get in the groove now, Move baby move
Get in the groove girl, Move baby move, Get in the groove now
Let me tell ya girl, you're lookin' so fine, yeah

(Ba-dup-ba-dup-ba-dup-ba-dup)

Move baby move, Get in the groove now, Move baby move
Get in the groove girl, Move baby move, Get in the groove now
Let me tell you, girl, you're lookin' so fine, yeah
(Ba-dup-ba-dup-ba-dup-ba-dup)

Move it, move it, baby, never never stop
Why don't ya move it, move it, baby, never never stop
C'mon lets move it, move it, baby, never never stop, now
But let me tell ya girl, you're doin' so fine, yeah
(Ba-dup-ba-dup-ba-dup-ba-dup)

Move it, move it, baby, never never stop
Why don't ya move it, move it, baby, never never stop
C'mon lets move it, move it, baby, never never stop, now
C'mon, c'mon, c'mon, c'mon, c'mon
(Ba-dup-ba-dup-ba-dup-ba-dup)
Move baby move
