

# Johnny O'Keefe, Rock N' Roll Music

Well do you hear that rock &#039;n&#039; roll music  
Well it sure sounds good to me  
Round the world baby  
This music can&#039;t be beat

Well they say that we&#039;re goin&#039; back  
Goin&#039; back to rockin&#039; times of old  
Put on your rockin&#039; shoes baby  
As down the road you go

When I&#039;m rollin&#039; (rollin&#039;)  
Keep me rockin&#039; (rockin&#039;)  
Right down to my shoes  
Well if you feel right (feel right)  
Just stomp your feet  
To that good old rock &#039;n&#039; roll beat

When that good old rock &#039;n&#039; roll music  
Gets deep down in your soul  
Put on your rockin&#039; shoes baby  
As down the road you go

When I&#039;m rollin&#039; (rollin&#039;)  
Keep me rockin&#039; (rockin&#039;)  
Right down to my shoes  
Well if you feel right (feel right)  
Just stomp your feet  
To that good old rock &#039;n&#039; roll beat

Well that good old rock &#039;n&#039; roll music  
Well it sure sounds good to me  
Round the world baby  
You know it can&#039;t be bea-ea-ea-eat  
Round the world baby  
You know it can&#039;t be beat
