

# Johnny O'Keefe, Saturday Night

Now gather 'round and call the gang  
I'm gonna tell you 'bout a real sha-bang  
Tell everybody that it's party time  
On Saturday night

Now call your friends, I called a few  
I'd bring your brother and your sister too  
We'll do the things we always wanna do  
On Saturday night

(Bow-bow-bow) Now just forget about the Monday blues  
(Bow-bow) And only think of the night  
(Bow-bow-bow) And don't forget to bring your dancin' shoes  
You know it's gonna be alright (be alright)

Well, we're gonna jump, and scream and shout  
And take the house and shake it all about  
So make it girls, and let it all hang out  
On Saturday night

La-di-da, la-di-dee, la-di-da-di-da-di-da-di-dee  
La-di-da, la-di-dee, On Saturday night

(Bow-bow-bow) Now just forget about the Monday blues  
(Bow-bow) And only think of the night  
(Bow-bow-bow) And don't forget to bring your dancin' shoes  
You know it's gonna be alright (be alright)

Well, we're gonna jump, scream and shout  
We'll take the house and shake it all about  
So make it girls, and let it all hang out
