

Johnny O'Keefe, Shake, Baby, Shake

Shake, baby, shake, baby, shake
Until your mamma and your pop come home
Ye-e-eah Shake, baby, shake, baby, shake
Until the meat comes off-a the bone
Shake, baby, shake, baby, shake
Well I love your cute little ways

Shake, baby, shake, baby, shake
Until you learn to rock and roll
Ye-e-eah, shake, baby, shake, baby, shake
Until you satisfy my soul
Shake, baby, shake, baby, shake
Well I love your cute little ways

(Shake) Upside down, (shake) all around
(Shake) any way you do it baby clow-ow-own
Oh baby, oh baby, oh baby,
Do it baby, Oh baby, oh baby, just shake

Shake, baby, shake, baby, shake
Until your mamma and your pappa come home
Ye-eah Shake, baby, shake, baby, a-shake-shake
Until the meat comes off-a the bone
Shake, baby, shake, baby, shake
Well I love your cute little ways

(Shake) Upside down, (shake) all around
(Shake) any way you do it baby clow-ow-own
Oh baby, oh baby, do it baby
Oh baby, oh baby, oh baby, just shake
Oh baby, oh baby, just shake, brrrrrrrr
Oh baby, oh baby, just shake
