

# Johnny O'Keefe, She's My Baby

Short black hair makes her look so sweet  
My baby&#039;s pretty from her head to her feet  
She is my baby and I want you to know  
I&#039;m gonna keep her, &#039;cause I love her so

Because she&#039;s my baby, Gonna keep her for my own

She&#039;s my baby and I love her so  
She&#039;s my baby, never let her go  
She&#039;s my baby, and I need her so  
Lovin&#039; little honey won&#039;t you please be mine

Dark brown eyes and her lips so red  
She is the only one can make me care  
Now listen buddy, gonna let you know  
She is my baby and I love her so

Because she&#039;s my baby, Gonna keep her for my own

She&#039;s my baby and I love her so  
She&#039;s my baby, never let her go  
She&#039;s my baby, and I need her so  
Lovin&#039; little honey won&#039;t you please be mine

Take a trip to Paris, even go to Spain  
Go the whole world over, we&#039;ll go round again  
There&#039;s nothing can compare with her, I&#039;m glad to say  
She&#039;s my little baby and she&#039;s here to stay

Because she&#039;s my baby, Gonna keep her for my own

She&#039;s my baby and I love her so  
She&#039;s my baby, never let her go  
She&#039;s my baby, and I need her so  
Lovin&#039; little honey won&#039;t you please be mine
