

Johnny O'Keefe, She's My Baby

Short black hair makes her look so sweet
My baby's pretty from her head to her feet
She is my baby and I want you to know
I'm gonna keep her, 'cause I love her so

Because she's my baby, Gonna keep her for my own

She's my baby and I love her so
She's my baby, never let her go
She's my baby, and I need her so
Lovin' little honey won't you please be mine

Dark brown eyes and her lips so red
She is the only one can make me care
Now listen buddy, gonna let you know
She is my baby and I love her so

Because she's my baby, Gonna keep her for my own

She's my baby and I love her so
She's my baby, never let her go
She's my baby, and I need her so
Lovin' little honey won't you please be mine

Take a trip to Paris, even go to Spain
Go the whole world over, we'll go round again
There's nothing can compare with her, I'm glad to say
She's my little baby and she's here to stay

Because she's my baby, Gonna keep her for my own

She's my baby and I love her so
She's my baby, never let her go
She's my baby, and I need her so
Lovin' little honey won't you please be mine

Alright, I'm hot, Mmm hot, Yeah
